NEWS RELEASE For Immediate Release

To: Local Media

From: Rock County Public Health Department and Rock County Emergency Management

Date: October 19, 2020

COVID – 19 Testing to be Offered Weekly at Blackhawk Technical College's Central Campus

The Rock County Public Health Department and Rock County Emergency Management are partnering with Blackhawk Technical College and the Wisconsin National Guard to offer free COVID-19 testing for the community.

Free COVID-19 testing will be available weekly on Wednesdays and Thursdays from 11 a.m. - 7 p.m. each day at Blackhawk Technical College – Central Campus, located at 6004 South County Highway G, Janesville WI. The first day of testing is October 21st and the last day of testing is December 10th.

Testing is open to anyone age five and older, but especially encouraged for those experiencing symptoms. COVID-19 symptoms include:

- | | |
|------------------------------|----------------------|
| • Cough | • Fever |
| • Fatigue | • Muscle Pain |
| • Sudden Loss of Taste/Smell | • Nausea or vomiting |
| • Shortness of Breath | • Chills |
| • Sore Throat | • Headache |
| • Congestion or runny nose | • Diarrhea |

No appointment is necessary, though pre-registration is recommended. Please pre-register at register.covidconnect.wi.gov.

This is a drive-thru testing site and anyone getting tested must stay in their vehicle. A nasal swab will be used to collect a sample by a uniformed member of the Wisconsin National Guard.

Due to limited testing supplies, up to 300 tests will be administered per day. The testing site will close for the day once 300 tests have been given. The National Guard will not be testing on November 11 (Veterans Day), nor November 26-29 due to Thanksgiving.

Please note that these details are subject to change based on needs identified by the COVID-19 Response Team as response continues to evolve. Changes could include increases or decreases in the amount of testing.

A Spanish-language interpreter will be available for those who don't speak English.

We continue to closely monitor the impacts of COVID-19 and provide information to assist residents and businesses to respond to the emergency as it evolves. Stay up to date by visiting <https://coronavirus-response-rockcountylio.hub.arcgis.com/>. Please contact Rock County Emergency Management at (608) 758-8440 with questions about the community testing. ###
